

BERTOLINI®

MILLENNIA SERIES

The **Millennia Series** is a customizable pew stacker with enhanced features and styling. These chairs are built with high quality materials and innovative manufacturing processes to ensure longevity and value. Our proprietary, dual-density 3.5-inch foam cushion and contoured backrest make it easy for congregations to stay comfortable and focused on what really matters—worship!

PRODUCT FEATURES

- 1** Superior comfort & durability is guaranteed with this fully upholstered back that features silhouette styling
- 2** Exclusive dual-density foam cushioning & a rolled front edge provide years of comfort
- 3** Supports up to 1,000 lbs. (453.5 kg) with the heavy-duty, 16 gauge, cold-rolled steel frame & integrated torsion bar
- 4** Sturdy wooden seat base is topped with a 3.5" dual-density foam cushion
- 5** Booted floor glides protect floors from scuffs and scratches

STANDARD FRAME OPTIONS

DESIGNER FRAME OPTIONS

BERTOLINI MODULAR SYSTEM
All Bertolini models, including arm chairs, interlock with each other to provide mix and match modular flexibility.

FULLY UPHOLSTERED OUTER BACK

Featuring silhouette styling with no exposed frame, this backrest offers a superior look and maximum sound absorption.

ERGONOMIC BACK FOUNDATION

The multi-contoured supports the lower back and cradles the upper shoulders.

FABRIC

Our commercial-grade polyolefin fabrics are double-rub tested up to 250,000 times without showing signs of wear.

FINISH

The ultra-durable powder-coat is electrostatically applied and baked at over 400° F (204°C) for extreme durability, and then saltwater tested for more than 800 hours.

EXCLUSIVE DUAL-DENSITY FOAM

The commercial grade dual-density virgin foam ensures all-day comfort and resiliency for the life of the chair.

STRONGEST FRAME

The 16-gauge bar system features 1010 cold-rolled carbon steel with integrated torsion control bar that supports up to 1,000 lbs.

STACK BUTTONS

The extra-wide stacking buttons provide efficient stacking to protect your investment.

COMFORTABLE BACK SUPPORT

A contoured plastic backrest base provides ergonomic comfort and durability while creating a lighter, easier to handle chair.

RADIUS-EDGE ELEGANCE

Our exclusive radius-edge steel frame provides a softer, more elegant look while extending the life of the finish when stacked.

T-NUT FASTENERS

The t-nut metal-to-metal fastening gives rock-solid durability.

BOOTED GLIDES

The noncorrosive, zero-maintenance, booted glides protect your chairs and your floors, and avoid swivel-glide failure.

RETRACTABLE INTERLOCK GANGING

This retractable ganging interlocks easily. Mount under chairs to create straight rows.

STANDARD GANGING

The straight interlocks hold chairs tightly together. Available at no additional charge.

RADIUS GANGING

The radius interlocks allow enough space to form a gentle curve. Available at no additional charge.

ARMS

Boost comfort with optional armrests. Arm height: 26.7" (67.9 cm).
