

BERTOLINI®

ABS Mobile Buffet Table

Top Benefits

- **Adds Serving Space:** Optional top tier provides extra room.
- **Folds for Easier Storage:** Folding legs reduce its storage footprint.
- **Stays Put During Service:** Locking brakes keep the table secure.
- **Moves Where You Need It:** Swivel casters simplify transport between spaces.

Overview

Bring the serving table to the gathering instead of carrying everything to the table. The ABS Mobile Buffet Table rolls easily between kitchens, fellowship halls, and other indoor spaces, giving your church a flexible serving station for meals, receptions, and special events.

Five-inch swivel casters make it easy to maneuver into place and lock securely during service. The stain-resistant ABS tabletop wipes clean easily, while folding steel legs help reduce the table's footprint for storage. Add the optional top-tier shelf when you need extra room for food, drinks, serving supplies, or displays.

Features

- Supports more than 2,000 lbs. (907 kgs)
- 5" non-marring swivel casters with brakes
- Durable edge bumper reinforces table strength
- Optional top tier holds up to 180 lbs. (82 kg)
- Generous 15-year warranty
- Not intended for outdoor use
