

BERTOLINI®

ABS Quarter Round Table

Top Benefits

- **Easy to Keep Clean:** Stain-resistant surface wipes clean quickly.
- **Makes Better Use of Space:** Fits neatly along walls and stages.
- **Works Throughout Your Church:** Ideal for classrooms, displays, and refreshments.
- **Easy to Move & Store:** Folding legs simplify handling between uses.

Overview

Make better use of the space along walls, stages, and other areas where a full round table doesn't fit. The ABS Half Round Folding Table provides plenty of usable surface without taking up unnecessary floor space, making it a practical choice for classrooms, check-in areas, refreshment stations, resource displays, and more.

Its stain-resistant ABS tabletop wipes clean easily, while a reinforced edge bumper helps protect against everyday impacts. Folding legs make the table easier to move and store when your church needs the space for something else.

Features

- Durable, lightweight design
- Moderate heat shield subsurface
- Non-marring glides
- Generous 15-year warranty
- Not intended for outdoor use
