- **Easy to handle and store:** Folding legs reduce the hassle between uses.
- **Backed by a 15-year warranty:** Particularly useful for a long-term investment.

Overview

In an active ministry, your tables may serve a fellowship dinner, Bible study, youth activity, and community event all in one week. The ABS Rectangle Folding Table is the classic, top-seller built to keep up with it all.

Its high-impact ABS plastic top resists stains and wipes clean easily, while a sturdy wood laminate core and powder-coated steel legs provide the strength and stability you need for frequent use. When the gathering wraps up, the legs fold for easier handling and storage.

Save yourself the cost of maintenance, labor, and replacement when compared to the lesser quality folding tables on the market. Durable, practical, and backed by a 15-year warranty, it's the table your church will use for many years in many different settings.
