## ABS Serpentine Table

## Top Benefits

- **Create Flexible Layouts:** Curved shape opens up new configurations.
- **Use Alone or Together:** Combine tables for larger curved arrangements.
- **Easy to Handle & Store:** Folding legs simplify moving and storage.
- **Made for Frequent Use:** Durable construction supports busy church events.

## Overview

The curved shape of the ABS Serpentine Folding Table gives your church more options when arranging a room. Use it for check-in areas, refreshment stations, displays, serving areas, or combine several tables to create larger curved configurations.

Use one on its own or combine multiple tables to create larger curved arrangements. A stain-resistant ABS tabletop makes cleanup simple, while folding steel legs provide strength during use and easier handling and storage afterward.

## Features

- Supports more than 1,600 lbs. (725 kg)
- Stain resistant tabletop wipes clean
- Non-marring glides
- Generous 15-year warranty
- Not intended for outdoor use
