

BERTOLINI®

Brisa Folding Cocktail Table

Top Benefits

- **Updated Style:** White and gray folding display table with a white plastic tabletop
- **Multiple Uses:** Tall, cocktail-sized table is ideal for church socials, classroom displays, and more
- **Portable & Easy to Use:** Lift the bottom of the tabletop for easy setup; folds flat for storage
- **Safe & Secure:** ANSI/BIFMA compliant; folding legs feature protective floor caps

Overview

Folding cocktail tables make an ideal addition to a church social, community event, seminar, or classroom function. The Brisa Cocktail Folding Table sets up in seconds and adapts easily to a variety of spaces. Its lightweight design (20 lbs./9 kg) makes it simple to move, position, and store.

A thick, blow-molded white tabletop provides a clean, modern surface that resists stains and handles regular use. The gray, powder-coated steel frame adds strength and stability while maintaining a sleek, updated look.

You can rely on this table for practical, everyday use. Its bar-height design (43.5" / 110.4 cm) works well for standing gatherings, buffets, and display setups. Use it indoors or outdoors for short-term events and fold it flat when you're ready to store it.

Seating capacity:

- 31.5" Cocktail Table (2.6-foot table): 3 people

Features

- Lightweight & easy to store
- Gray, powder-coated steel frame
- Rated for commercial use as a contract-grade table
- White tabletop made of stain-resistant polyethylene (plastic)
- Includes a 1-year limited warranty
- ANSI/BIFMA Certified
- Indoor & occasional outdoor use*

*Brisa Tables are designed for temporary outdoor use only. They are not weather-resistant and must not be left outdoors during rain, snow, high humidity, or other harsh weather conditions.
