

BERTOLINI®

Brisa Plastic Folding Chairs

Top Benefits

- **Updated Style:** Modern white and gray color scheme
- **Multiple Uses:** Extra seating for worship services, church dinners, seminars, social events, classrooms, and more
- **Portable & Easy to Use:** Lightweight design pops up easily for events, overflow seating, and more
- **Strong & Durable:** Built for commercial use; supports 330 lbs. (149.6 kg)

Overview

Named after the Spanish word for “breeze,” the Brisa Folding Chair is designed to streamline event setup. It’s built with a gray, powder-coated steel frame and a seat and backrest made of thick, molded plastic. It’s engineered with steel support bars underneath the seat, which provide additional strength and stability.

The seat and backrest are made of white, stain-resistant polyethylene (plastic). It’s textured to prevent slipping. A gently curved backrest shape provides a more natural fit. Durable, smooth-gliding hardware ensures longevity and ease of use.

The Brisa Folding Chair is practical and hardworking, ready to provide extra seating in a jiffy. Water-resistant and compact, this heavy-duty folding chair is perfect when you need flexible seating at church dinners, community events, cafeterias, seminars, youth and children’s ministries, office areas, and more. The Brisa Folding Chair is suitable for indoor use or short-term outdoor use (in dry weather only).*

Features

- Lightweight design makes it easy to carry around
- Gray, powder-coated frame
- Floor protector caps protect flooring
- Indoor & occasional outdoor use*
- White, textured plastic seat reduces slipping
- Rated for commercial use
- 1-year warranty

*Brisa Folding Chairs are designed for temporary outdoor use only. They are not weather-resistant and must not be left outdoors during rain, snow, high humidity, or other harsh weather conditions.
