

BERTOLINI®

CT Cart - Edge

Top Benefits

- **Cut Down on Setup Trips:** Move up to 10 tables together.
- **Make Room Resets Easier:** Designed for staff and volunteer use.
- **Load from Either End:** Easy-load ramps simplify moving tables onboard.
- **Choose Your Capacity:** Narrow and Wide options to accommodate different spaces.

Overview

When your fellowship hall needs to convert from Sunday morning classes to a church dinner, moving the tables is part of the job. The CT-Cart Edge helps staff and volunteers transport multiple ABS Round Tables at once, cutting down on trips during setup and takedown. Accommodates tables 42" to as large as 72" rounds.

With two different models, you can choose which fits your worship space best. Choose the Narrow cart to move up to five round tables while still fitting through common-sized doorways and elevators. For larger churches and bigger events, the Wide cart holds up to 10 tables and requires double doors or wider openings at least 55" to move throughout the building. Easy-load ramps simplify loading from either end, while industrial-strength casters help move tables through the building.

Features

- Durable powder-coated steel frame
- Easy to handle, move, and store
- Non-marring wheels and casters
- “Easy-Load” ramps on front and rear
- Holds 5-10 tables (Narrow holds 5 tables, Wide holds 10 tables)
