

BERTOLINI®

Essentials Quick Ship Chair

Top Benefits

- **Stores Compactly:** Easy to move around and store; stacks 6-8 chairs high.
- **Eco-friendly:** Made of recyclable materials, including a 100% recyclable steel frame.
- **Comfortable:** Show the congregation you care with a padded foam seat and backrest.
- **Refined Styling:** Creates a professional appearance with a black & gray color scheme.

Overview

The Essentials Quick Ship Pew Chair is a stacking church chair built for durability and value. Stylishly built, it gives a polished, professional atmosphere to classrooms, waiting areas, chapels, and other meeting areas. Best of all, it's comfortable and affordably priced, as it doesn't offer the customization options of other Bertolini chairs. The unique dual-density foam cushion features a soft, sink-into-comfort top layer of foam with a firm, supportive layer beneath, for a seating experience with all-day comfort.

The black and gray color scheme will complement a wide range of décor styles and is selected specifically to hide most stains. The Quick Ship Essentials Chair comes with Pew Ganging to interlock chairs into rows. Stack up to 8 chairs for compact storage.

This chair is not available with armrests or custom fabrics.

Lead time: 2 Weeks
