

BERTOLINI®

Folding Chair Tree Cart

Top Benefits

- **Save Valuable Storage Space:** Vertical design uses less floor space.
- **Simplify Room Resets:** Move multiple folding chairs at once.
- **Easy to Maneuver:** Swivel casters move smoothly between spaces.
- **Help Protect Your Floors:** Non-marring wheels reduce marks during transport.

Overview

Make more of your church storage space with the Folding Chair Tree Cart. It stores chairs vertically on two posts, helping keep folding chairs organized without taking up unnecessary floor space between services, classes, and events.

When it's time to reset a room, staff and volunteers can move multiple chairs together instead of carrying them one at a time. Swivel casters roll easily across floors, while non-marring wheels help protect surfaces throughout your church.

Features

- Designed to store chairs using vertical space
- Assists with quick room setup and take down
- Swivel casters easily glide across floor surfaces to make transporting chairs effortless
- Durable, powder-coated steel frame
- Handle designed to be easy to move
- Non-marring wheels and casters
- Warranty: Fabricated steel components – twelve (12) years. Felt, carpet, neoprene, foam, and plastic protective pieces, as well as cart casters are warrantied for one (1) year.
