

BERTOLINI®

Glides

Overview

These replacement glides are the same polypropylene (plastic) glides that are factory installed on Bertolini chairs. Glides can be damaged if they're dragged across rough surfaces. If you need replacement glides, you can purchase new Chair Glides through your sales representative. There are three options to choose from: Black, Clear, or Swivel.

Note: This accessory is designed to work with chairs manufactured by Bertolini. We cannot guarantee it will work with chairs from other manufacturers. Use with non-specified chairs is done at the buyer's own risk. Customers with existing Bertolini chairs should call customer service to confirm it will fit.
