

BERTOLINI®

HD Core Stacking Chair

Top Benefits

- **Modern Style:** Classic black with a chrome frame
- **Stores Compactly:** Stacks 25 high with storage cart (10 high without cart)
- **Comfort:** Perforated surfaces for comfortable airflow
- **FREE Storage Cart:** Get a FREE storage cart with each purchase of 25 chairs

Overview

The HD Core Stacking Chair is a high density seating solution that's just as effective for concerts and event seating as it is for a guest chair in a single office. Lightweight, durable, and easy to store, it's affordably priced as an ideal bulk seating solution.

The HD Core Stacking Chair features a metal, chrome-plated frame with durable black polymer seats and backrests. The polymer surfaces are perforated to aid in airflow, so guests will stay comfortable.

Stackable, stain-resistant, and durable, the HD Core Stacking Chair can stack 25 high on a cart or 10 high on the floor. A free chair cart comes with each purchase of 25 chairs.

Features

- Lightweight & easy to store
- Tested to support a static load of up to 850 lbs. (385.5 kg)
- Includes a 1-year limited warranty
- Stacks 10–25 chairs high (25 with cart, 10 without cart)
- Free rolling cart with 25 chairs
- Excellent for use in all types of multi-purpose areas — schools, offices, healthcare & more
