

BERTOLINI®

HD Select Stacking Chair

Top Benefits

- **Sleek Design:** Clean, minimalistic black-on-black style with a sled base frame
- **Durable 2-in-1 Floor Glides:** Protects hard floors & attaches chairs together (via built-in ganging clips)
- **Comfort:** Foam cushioned seat and curved back enhance comfort
- **FREE Storage Cart:** Stacks 30 high in the cart, which comes FREE with the purchase of 30 chairs

Overview

Sporting a sleek silhouette, the HD Select Stacking Chair has a clean, minimalist style that blends function with modern appeal. The sled base frame is made with a hollow steel tube, which makes it lightweight, stable, and durable. It features a flexible, lightly padded vinyl seat for comfort, which is easy to wipe clean. The curved backrest is made of scuff-resistant polypropylene plastic.

Practical and professional, it has built-in ganging clips on the floor glides to connect the chairs in neat rows. Nylon plastic pads on the bottom of the glides make it easy to slide the chair out from a table on hard floors. This chair is ideal for high-traffic environments like training rooms, cafeterias, schools, concerts, and event venues.

A FREE cart is included with each stack of 30 chairs.

Features

- Lightweight & easy to store
- Free chair cart with 30 chairs
- ANSI/BIFMA Certified
- Stacks 30 chairs high on the cart (10 without cart)
- Includes a 1-year limited warranty
- Excellent for use in all types of multi-purpose areas — schools, offices, healthcare & more
